Student Satisfaction Survey Analysis Report

College has conducted the students Satisfaction Survey (SSS) on overall institutional Performance for the academic session 2018-19. The designed questionnaire was provided to the students. We believe that students satisfaction survey is an important source of information for the betterment and development of the college.

On the basis of responses collected from students in the academic session 2018-19. The following observations are made.

1. The students responses on syllabus completion, the knowledge of the teachers are very good.
2. The students are very much satisfied with the cultural and other extra curricular activities during the session.
3. The students responses on library, reading room and other facilities are very good.
4. The students responses on the laboratory equipments, indoor game facilities, pure drinking water are on average.
5. Students are very much satisfied with the co-operation of the teaching, non-teaching staff & administrative staff.
6. We are very much satisfied on the overall rating to the college given by students.
